SUBJECT:

DOCKET NO. 2005-221-C - Petition of Verizon Communications for Approval of Font Size Change in the Verizon Directory – The Return Date has Expired with No Intervention. This matter is ready for Final Disposition.

COMMISSION ACTION:

Mr. Chairman, I move that the Commission express its concerns that further reductions in font size and adding more columns on each page may reduce the readability of directories especially for the elderly, and that the Commission therefore grants the ORS request for a 21 day extension from today's date to provide the Commission with its position on this matter. Further, I move that the Commission request Verizon Information Services to provide the Commission with a sample page demonstrating the effect of the proposed change.
